 **Διεπιστημονικό Ινστιτούτο Περιβαλλοντικών και Κοινωνικών Ερευνών- TIESS** 1 ημ. · 🌐

Reminder for tomorrow 03.08.2023 | 12.00 (GMT +2)!

Chris Spence will examine the legal and policy framework on climate change and human rights, including recent developments such as the UN General Assembly's recognition in July 2022 of the human right to a clean, healthy and sustainable environment (A/76/L.75 ).

Dr. Kiara Worth will explore how climate change exacerbates existing power imbalances and inequalities, and what this means for the protection of human rights.

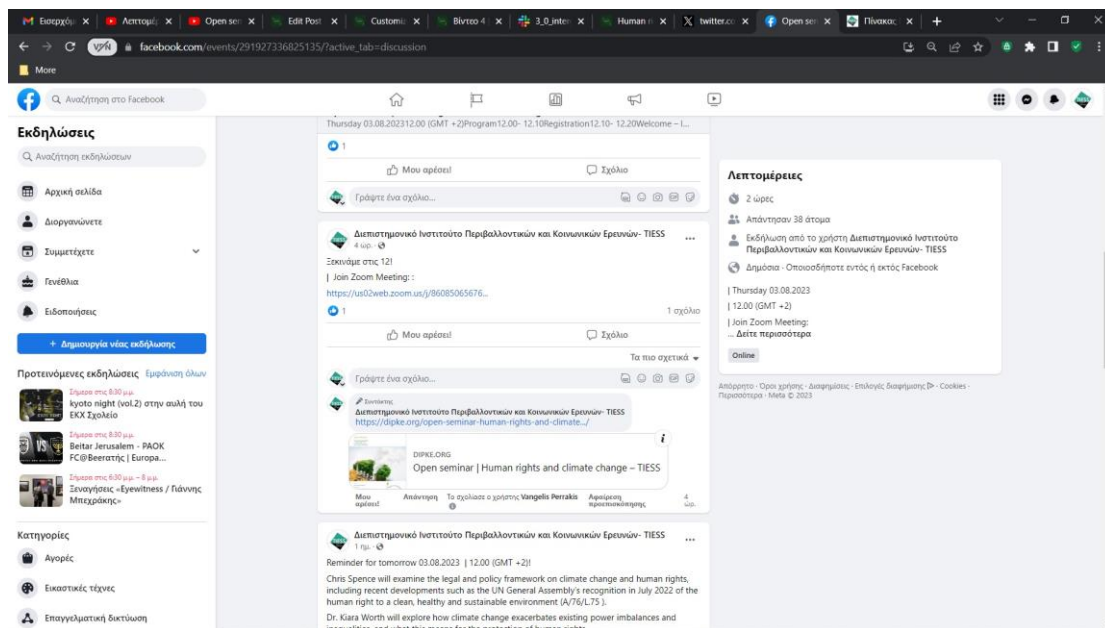

Dr. Annalisa Savaresi (Professor of International Environmental Law, University of Eastern Finland) and Professor Saleemul Huq, Director of the International Centre for Climate Change and Development (ICCAD) will also contribute to the seminar (video interviews).

Dr. Asterios Tsioumanis will facilitate the open seminar providing introductory remarks.
